FY09 filing based on hospital's audited financial statements

Data Sources: FY05 - FY09 data drawn from DHCFP annual filing and are reconciled to Audited Financial Statements or to hospitals supporting documentation. DHCFP filings may not reflect all financial resources available to a hospital -- for example, resources available through associations with foundations or parents/affiliates. Financial information should be interpreted within the context of other factors, including, but not limited to, management plans, reimbursement changes, market behavior, and other factors affecting performance.
Comments: Hospitals may also submit comments which further explain or clarify specific data items. Any such disclosures are shown below.

Notes:

- [1] According to the Medicare Payment Advisory Commission (MEDPAC), a major teaching hospital is one with at least 25 FTE residents per 100 inpatient beds.
